

## Directions to Pickworths – Hemel Hempstead

### By Train

Hemel Hempstead enjoys a frequent service on the West Coast Main Line from London Euston through Watford, Rugby, Birmingham, Carlisle and Glasgow.

The station is a 25 mins. level walk from our offices, you may therefore wish to take a taxi from the rank outside the station.

Walking from the Station: turn right, past a restaurant and petrol station, along London Road to a roundabout. Cross the road and bear left into Station Road which goes uphill, with St Johns Church on your left.

After ½ mile you will see a roundabout ahead and a large office block on your left. Turn left before the office block into Cotterells. Continue along Cotterells, walking parallel with the main road to your right (Leighton Buzzard Road) until (after ¼ - ½ mile) you reach a pedestrian crossing across the main road. A pathway through the hedge leads through the car park and into the main shopping street ahead of you (Marlowes). Turn left along Marlowes. Pickworths is another 5 mins. walk along this road on the right hand side, after the end of the shops, set back off the road in an old brick and pink-washed building. Our address is 55 Marlowes.

### By Car

**From M1** – take M1 junction 8 signed to Hemel Hempstead. Follow the signs to Hemel Hempstead along a dual carriageway and across three roundabouts until you reach the fourth – our so called ‘Funny’ or ‘Magic’ multi-roundabout (actually called Moor End Roundabout). Take the sign to Leighton Buzzard which would be at approx. 2 o’clock if the roundabout were a clock face.

Cross the traffic lights and a separate pedestrian crossing. Soon after, turn right at a mini roundabout into Combe Street and immediately right again into **Waterhouse Street Car Park**. Parking here is on a Pay & Display basis. If this car park is full there is another (NCP) car park in Hillfield Road on the other side of Marlowes. From Combe St. continue on, in the direction you were traveling when you arrived. Turn right at the mini roundabout onto Marlowes, then left at the next mini roundabout. This is Hillfield Road. **Hillfield Road Car Park** entrance is on the left, 80 yards up the hill.

**Please Note:** Unfortunately on-site parking at Pickworths is not available due to space limitations. (However please contact us if you have mobility problems).
